Parish Pastoral Center Survey Says...

Since the end of May, we have been discussing and discerning the need, benefits and opportunities of building a pastoral center to provide much-needed space for our growing community.

In June, every registered parishioner was mailed a Fact Sheet with a survey and asked to share their thoughts and comments. The survey essentially asked if you are in favor of (1) building a pastoral center, (2) enhancing the gathering space outside of the church where the Welcoming Jesus statue is located, and if you are (3) willing to financially support the project.

I am very grateful to all who participated in this important process. Nine-hundred and two (902) surveys were submitted and 50 families also took part in an interview with the Steier Group, the firm who conducted the feasibility study. An additional 100 surveys were received after the deadline and incorporated into the final results.

The study is now complete and the results are very positive and convincing. Seventy-five percent (75%) of respondents are in favor of building a pastoral center and 75% indicated that they will financially support it. When asked if building a pastoral center was a low, moderate or high priority, 85% indicated that it was either a moderate or high priority. Also encouraging is the fact that almost 300 parishioners said that they would volunteer to assist in a capital campaign. The Steier Group, who has conducted hundreds of feasibility studies, said that the average number of people who normally express an interest in volunteering during a feasibility study is 50 (not 300). Thank you!

Your feedback is clear: you want to move forward and take the next step in expanding our capacity to love and serve by building a new pastoral center.

I have been intentional in moving slowly in this process. For example, I believed that it was more prudent to ask *if* you were in favor of a pastoral center *before* spending \$150,000 - \$200,000 to employ an architect to develop plans and renderings. Now that we've answered that first question together, we can take the next steps toward building a center which will allow us to grow as a House of Prayer and a House of the Poor.

Next Steps and Estimated Timeline:

September - December

- Interview architects and hire a firm
- Clarify the scope of the pastoral center and improvements to the gathering space
- Determine the cost of the project
- Request approval from Bishop Vann to proceed with a capital campaign
- Architects will begin work to develop preliminary renderings (6-8 weeks)

Communicate:

- the need, benefits and opportunities of building a pastoral center and improving gathering space.
- how the pastoral center is aligned with the Gospel and our parish mission of being a House of Prayer and House of the Poor
- Recruit and train volunteers to assist with the capital campaign
- Present architectural renderings to the parish for discussion and feedback

January - June: Parish Capital Campaign

This is the heart of the campaign when we will work together to put our time, talent, and treasure where our heart is by expanding our capacity to love and serve God and one another. During this phase, each parishioner and school family will be invited to make a financial and sacrificial gift.

Having heard your feedback and continually experienced our parish's generosity, I am confident that we will conduct an incredibly successful capital campaign.

Your brother in Christ,

Fr. Brendan Manson

Centro Pastoral Parroquial Encuesta dice ...

Desde finales de mayo, hemos estado discutiendo y discerniendo la necesidad, los beneficios y las oportunidades de construir un centro pastoral para proporcionar el espacio tan necesario para nuestra creciente comunidad.

En junio, a cada parroquiano registrado se le envió una hoja de datos con una encuesta y se les pidió que compartieran su opinión y comentarios. La encuesta esencialmente preguntó si usted está a favor de (1) la construcción de un centro pastoral, (2) mejorar el espacio de reunión fuera de la iglesia donde se encuentra la estatua de Jesús, y si está (3) dispuesto a apoyar financieramente el proyecto.

Estoy muy agradecido a todos los que participaron en este importante proceso. Se presentaron novecientos y dos (902) encuestas y 50 familias también participaron en una entrevista con el Grupo Steier, la empresa que realizó el estudio de factibilidad. Se recibieron 100 encuestas adicionales después de la fecha límite y se incorporaron a los resultados finales.

El estudio está ahora completo y los resultados son muy positivos y convincentes. El (75%) de los encuestados está a favor de la construcción de un centro pastoral y el 75% indicó que también lo apoyará financieramente. Cuando se le preguntó si la construcción de un centro pastoral era una prioridad baja, moderada o alta, el 85% indicó que era una prioridad moderada o alta. También alentador es el hecho de que casi 300 feligreses dijeron que se ofrecían como voluntarios para ayudar en una campaña capital. El Grupo Steier, que ha realizado cientos de estudios de factibilidad, dijo que el número promedio de personas que normalmente expresan su interés en el voluntariado es de aproximadamente 50 (no 300). ¡Gracias!

Sus comentarios son claros: usted quiere seguir adelante y dar el siguiente paso en la expansión de nuestra capacidad de amar y servir mediante la construcción de un nuevo centro pastoral.

Intencionalmente he querido avanzar lentamente en este proceso. Por ejemplo, yo creía que era más prudente preguntar primero si usted estaba a favor de un centro pastoral antes de gastar \$ 150,000 - \$ 200,000 para emplear a un arquitecto para desarrollar planes y representaciones. Ahora que hemos respondido a esta primera pregunta juntos, podemos dar los siguientes pasos hacia la construcción de un centro que nos permita crecer como una Casa de Oración y Casa de los Pobres.

Próximos pasos y calendario estimado:

Septiembre - Diciembre

- Entrevistar a los arquitectos y contratar a una empresa
- Aclarar el alcance del centro pastoral y las mejoras al espacio de reunión
- Determinar el costo del proyecto
- Solicitar la aprobación del obispo Vann para proceder con una campaña de capital
- Los arquitectos comenzarán a trabajar para desarrollar representaciones preliminares (6-8 semanas)

Comunicar:

- La necesidad, los beneficios y las oportunidades de construir un centro pastoral y mejorar el espacio de reunión.
- Cómo el centro pastoral está alineado con el Evangelio y nuestra misión parroquial de ser una Casa de Oración y Casa de los Pobres
- Reclutar y entrenar a voluntarios para ayudar con la campaña capital
- Presentar representaciones arquitectónicas a la parroquia para su discusión y comentarios

Enero - Junio: Campaña Capital Parroquial

Este es el corazón de la campaña cuando trabajaremos juntos para poner nuestro tiempo, talento y tesoro en nuestro corazón expandiendo nuestra capacidad de amar y servir a Dios y a los demás. Durante esta fase, cada parroquiano y las familias de la escuela serán invitados a hacer un regalo financiero y de sacrificio.

Habiendo escuchado sus comentarios y continuamente experimentado la generosidad de nuestra parroquia, estoy seguro de que llevaremos a cabo una campaña capital increíblemente exitosa. Su hermano en Cristo,
Padre Brendan Manson

Natural Family Planning

NFP Awareness Week Begins July 23rd, 2017

"It's Time! Say 'Yes' to God's Plan for Married Love" is the theme of this year's Natural Family Planning Awareness Week, a national educational campaign of the United States Conference of Catholic Bishops (USCCB) to celebrate God's design for married love and the gift of life and to raise awareness of Natural Family Planning (NFP) methods. "NFP," as the U.S. bishops have written, is supportive of Catholic beliefs about married love because it "respects the God-given power to love a new human life into being" (U.S. Bishops, *Married Love and the Gift of Life*).

This year's theme invites a reflection on how "now" could be a very good and acceptable time to learn more about NFP and the Church's beautiful teachings about marriage and God's plan for married love. Echoing the words of Pope St. John Paul II:

The moment has come for every parish and every structure of consultation and assistance to the family and to the defense of life to have personnel available who can teach married couples how to use the natural methods. For this reason I particularly recommend that Bishops, parish priests and those responsible for pastoral care welcome and promote this valuable service. (Address to Teachers of Natural Family Planning, December 7, 1996)

NFP is not "rhythm". It is based on observable symptoms of the fertile and infertile phases of the menstrual cycle. NFP tracks the changes associated with ovulation and not only treat each woman as unique, but each cycle as well. NFP is validated by scientific research.

The next live class starts in August. For more information contact Sean & Pam Tupy (narkunpa@hotmail.com) or Martha Sears (marthasears@cox.net). Visit the diocesan website for more resources and class information www.rcbo.org/resource/natural-family-planning

An Examination of the Sixth Theme of Catholic Social Teaching

Catholic Social Teachings are deeply rooted in the Catholic tradition. Pope John Paul II wrote, "The Church's social teaching finds its source in Sacred Scripture, beginning with the Book of Genesis and especially in the Gospel and the writings of the Apostles. From the beginning, it was part of the Church's teaching..." The following describes the sixth of seven themes in Catholic Social Teaching.

Solidarity

We are one human family whatever our national, racial, ethnic, economic, and ideological differences. We are our brothers' and sisters' keepers, wherever they may be. Loving our neighbor has global dimensions in a shrinking world. At the core of the virtue of solidarity is the pursuit of justice and peace. Pope Paul VI taught that "if you want peace, work for justice. The Gospel calls us to be peacemakers. Our love for all our sisters and brothers demands that we promote peace in a world surrounded by violence and conflict.

Announcing #StEdSupport

Love to support our St. Edward the Confessor Community?

Announcing #StEdSupport. So many of our school parents and parishioners work for (or own) amazing companies and we don't even realize it! We are launching a new St. Edward the Confessor business directory to support our great community and encourage referrals among parents!

Best of all - the directory is a free app that you'll be able to download on your phone. Every business is also able to offer a #StEdSupport discount that is exclusive to our St. Edward the Confessor community. We're hoping that all of our school parents and parishioners will click to list their company information today!
