An Examination of the Fourth Theme of Catholic Social Teaching

Catholic Social Teachings are a central and essential element of our faith. With roots in the Hebrew prophets, they are teachings founded on the life and words of Jesus Christ. The following describes the fourth of seven themes in Catholic Social Teaching.

Option for the Poor and Vulnerable
The morality of society is judged by how well our most vulnerable members are faring. Just as a parent gives more care and resources to a sick child so the child might become healthy, so we Christians are called to put the needs of the poor and vulnerable first. Those with the greatest need require the greatest response.

In a society marked by the deepening divide between rich and poor, the gospel calls us to radical and self-giving love—to meet the needs of the poor and vulnerable and to oppose the structures that perpetuate poverty and abuse the vulnerable.

The Catholic Cemeteries of the Diocese of Orange provides a pre-need Planning Program for Catholic Families in Orange County. Family burial arrangements are among the most important and inevitable decisions a Catholic must make. Because of the many emotional and financial savings that result by planning these arrangements in advance of need, the Diocese of Orange urges all Catholic families to learn about their burial options.

The apostolic and administrative work of Catholic Cemeteries truly reflects the corporal and spiritual works of mercy.

For information on advance planning and the choices you have, please contact Mary Ellen Lohnes mlohnes@rcbo.org (714) 393-1536
