**Revelation: The Kingdom Yet to Come**

In this intriguing look at one of the most talked-about books in Scripture, Jeff Cavins explores Revelation to demonstrate how the kingdom established by Christ in his Church is intimately connected with the kingdom of heaven, especially through the celebration of the Mass. You will discover what the mysterious figures and images of Revelation mean, as well as what will happen during the Second Coming of Christ, what has already happened, and what is happening now in salvation history.

Thank you Catholic Coalition!

Saturday, December 16th, was our Catholic Coalition's first team build day at the Tustin site—and what a success it was! We sincerely couldn't have asked for a better group or a more perfect day. Everything went smoothly and it was truly a blessing to see your smiling faces and eagerness to work as we build the kingdom of God by building homes on earth! We were able to break and move tons of concrete, filling 3 huge construction containers in preparation for the foundations to be laid, and we cleaned up quite a bit of debris and yard waste. Habitat OC is incredibly grateful to have such dedicated and joy-filled stewards who give the best of themselves through time, talent, and treasure.

To sign up just go to www.habitatoc.org, go to “volunteer now” and register using code “CC17” to sign up for future Tustin Build events. You can also sign up to work on any of the other build sites currently underway!

January is Poverty Awareness Month!

The U.S. Catholic Bishops the Catholic Campaign for Human Development and the Catholic community in the U.S. have declared January as Poverty Awareness Month—taking up Pope Francis’ challenge to live in solidarity with the poor.

Orange County’s official poverty rate is 12.7%, meaning 69,450 families live below the U.S. Federal Poverty threshold, which for a family of four is $24,600 per year. These are folks working at minimum wage, even holding down several jobs; seniors living on fixed incomes; wage earners suddenly out of work. However, the high cost of housing means almost one in four Orange County residents lives in poverty, nearly twice the official measure, according to a report by the nonprofit California Housing Partnership Corp. Orange County actually has one of the highest poverty rates in the state.

To find out more about who lives in Poverty USA and what can be done to address the root causes of poverty, visit http://www.povertyusa.org/

Turn Your TAXABLE RMD (Required Minimum Distributions) into Charitable Donations.

IRS rules mandate that individuals age 70 1/2 and older take RMDs from their IRA each year, regardless of whether the income is needed. These annual withdrawals are subject to ordinary income taxes. By making a charitable contribution from your IRA, you can satisfy your RMD amount without reporting additional income.

This provision may be especially attractive for retirees who don’t need all the income from their IRA to meet current living expenses. By donating the money to your charity, you can enjoy the satisfaction of knowing that you are contributing to a worthy cause while effectively lowering your tax bill.
