The Reception of Holy Communion

In February, we held a Liturgical Ministers Morning of Reflection and Training. At this gathering, some questions and concerns arose as to the correct posture for the reception of Holy Communion. As a result of this, I have compiled the following excerpts from Pope Francis and the USCCB which references the Code of Canon Law as well as the General Instruction of the Roman Missal. Please read the following excerpts and feel free to read the entire documents at the links provided. I have also included a YouTube link provided by Busted Halo Ministries that is very concise and informative. I hope this is educational and answers any questions you may have.

Rev. Tony Park
Parochial Vicar

Guidelines for the Reception of Holy Communion

As Catholics, we fully participate in the celebration of the Eucharist when we receive Holy Communion. We are encouraged to receive Communion devoutly and frequently. In order to be properly disposed to receive Communion, participants should not be conscious of grave sin and normally should have fasted for one hour. A person who is conscious of grave sin is not to receive the Body and Blood of the Lord without prior sacramental confession except for a grave reason where there is no opportunity for confession. In this case, the person is to be mindful of the obligation to make an act of perfect contrition, including the intention of confessing as soon as possible (canon 916). A frequent reception of the Sacrament of Penance is encouraged for all.

Excerpt from Pope Francis’ General Audience on March 21, 2018

According to ecclesiastical norms, the faithful normally approach the Eucharist in a processional manner, as we have said, and receive Communion standing with devotion, or on their knees as established by the Episcopal [Bishop’s] Conference, receiving the Sacrament either on the tongue or in the hand, if allowed, as preferred (cf. GIRM 160-161).

United States Conference of Catholic Bishops

The General Instruction asks each country’s Conference of Bishops to determine the posture to be used for the reception of Communion and the act of reverence to be made by each person as he or she receives Communion. In the United States, the body of Bishops determined that Communion should be received standing, and that a bow is the act of reverence made by those receiving. These norms may require some adjustment on the part of those who have been used to other practices, however the significance of unity in posture and gesture as a symbol of our unity as members of the one body of Christ should be the governing factor in our own actions.

Those who receive Communion may receive either in the hand or on the tongue, and the decision should be that of the individual receiving, not of the person distributing Communion. If Communion is received in the hand, the hands should first of all be clean. If one is right handed the left hand should rest upon the right. The host will then be laid in the palm of the left hand and then taken by the right hand to the mouth. If one is left-handed this is reversed. It is not appropriate to reach out with the fingers and take the host from the person distributing.

CAMPAIGN CORNER

St. Edward the Confessor Catholic Church is quickly approaching the final weeks of our Expanding to Love and Serve campaign effort. **We need to receive as many gift commitments as possible by the end of April, so we can budget and plan for construction.**

Thank you to the many volunteers and donors who have stepped up with extreme generosity and sacrifice. As of April 1, our campaign total sits at $6.7 million!

As our community winds down this important effort, we'd like to ramp up the level of participation. **If you haven’t had the chance to join your fellow parishioners in supporting our campaign, it’s not too late. On April 21 & 22, during all Masses, we will celebrate Commitment Weekend.** This event allows us to honor the many families who have helped our parish reach this point in the campaign, while offering everyone a final chance to invest in the future of St. Edward. Please prayerfully consider supporting this critical effort. In order to expand or capacity to love and serve, we need your help. No gift is too small! Join us for Commitment Weekend on April 21 & 22!

SCHOOL CORNER – NEW EARLY CHILDHOOD ART PROGRAM

“Every child is an artist” - Picasso

Thanks to the generous proceeds from our Monarch Main Event gala, The Parish School has added a new art program to its preschool, TYKE (Pre-K) and Kindergarten curriculum which introduces our youngest learners to various modern artists and styles. During the 12-week in-depth art study, they learn about sculpture, abstract art, and action painting, providing the learners multiple opportunities to explore a variety of activities which improve their gross and fine motor skills, and expand their imagination and creativity.

Students study such classical and modern artists as Wassily Kandinsky, Louise Nevelson, Holton Row, Dale Chihuly, and Jackson Pollock and then work to create art in their likeness modeling similar techniques. For instance, they explore different mediums to create sculptures, and use recycled products like toilet paper rolls and bubble wrap, to create circle art. They also experiment with action painting – first using brooms and pipettes to move and drip water and later, once they have mastered the technique and studied the artist further, switch the water to paint.

The program culminates with a Student Art Show on May 16 from 6 – 7 PM where the young learners will showcase their art inspired by or made in the likeness of the featured artists. All in the Parish are welcome to join!
