Pastoral Center Update

The Pastoral Center project continues to make forward progress. St. Edward has received both approvals from the Diocese and the Holy See. As such, we are now going thru the plan submittals and revisions process with the City of Dana Point. It is our hope to be thru that process in Fall of this year.

As the warm days of summer are upon us, the staff at St. Edward has also taken some time for vacation and to rejuvenate with family and friends. To that end, although it may seem like the project has slowed down, in fact, we continue on with momentum.

Therefore, a big THANK YOU to the many donors that have pledged/contributed just over $10.4 million to the Expanding to Love and Serve campaign. We very much appreciate your support to this very much needed rehabilitation of our parish meeting spaces.

Keep an eye on our website, the bulletin and the Beacon for the very latest information on the Pastoral Center. Many times, items come up that may need your immediate feedback, action, and attention – as such please ensure we have your current email address or cell phone number so that we can subscribe to Father Brendan’s weekly Beacon e-newsletter.

Thank you!!!
Take God on Vacation with You

For me, as well as many of you, I have found that taking God on vacation helps to make for a more restful, relaxing and meaningful vacation. Many times parishioners are changing vacations into pilgrimages – especially to the Holy Land, the Holy See, or for us from the Green Isle, Ireland!!!

So how do you take God with you? The easiest way is to make a dedicated time perhaps each morning to be with God and be grateful for the chance to be on vacation either by yourself or with loved ones. You can pray as a group or find individual time to pray and give thanks to God for the many blessings in our lives, as well as asking for those supplications of our needs.

There are endless online resources from FORMED (and the free subscription provided by the parish to everyone) to the many Podcasts from our own Faith Formation program to ensuring we have a good email for your family so that the Beacon never misses you while you are away.

Additionally, Franciscan Media’s Saint of the Day, the Diocese of Orange, the USCCB and the Vatican website have great content to reflect upon even when you have your feet in the water and not a care in the world…

So, consider taking God with you on vacation. He wants to spend time with you, your family and friends. Many of these web-links are found on our parish website at www.stedward.com and also listed throughout this Bulletin, as well as in the weekly Beacon e-newsletter. Please check-out all the resources available for the best Catholic content to help make the travel time fly by and the relaxation in the summer sun even better!

Blessings to you, now and always,
Fr. Brendan Manson  
Pastor

“Generations of Love” is the theme of this year’s Natural Family Planning Awareness Week, a national educational campaign of the United States Conference of Catholic Bishops (USCCB) to celebrate God’s design for married love and the gift of life and to raise awareness of Natural Family Planning (NFP) methods. “NFP,” as the U.S. bishops have written, is supportive of Catholic beliefs about married love because it “respects the God-given power to love a new human life into being” (see, U.S. Bishops, Married Love and the Gift of Life).

This year’s theme invites a reflection on the anniversary of Pope Paul VI’s landmark encyclical that provides beautiful and clear teaching about God’s plan for married love and the transmission of life. In Humanae Vitae, Blessed Pope Paul VI reflects upon how God designed the nature of married love. This he draws from Sacred Scripture and the Catholic Tradition. The Holy Father writes that married love is fully human (involving the body and soul). Married love is total, faithful, and fruitful (see HV no. 9).

NFP is not “rhythm.” It is based on observable symptoms of the fertile and infertile phases of the menstrual cycle based on over 30 years of scientific research. NFP tracks the changes associated with ovulation and not only treats each woman as unique, but each cycle as well. NaProTECHNOLOGY (Natural Procreative Technology) is a new women’s health science that monitors and maintains a woman’s reproductive and gynecological health. It provides medical and surgical treatments that cooperate completely with the reproductive system to treat infertility, PMS, postpartum depression and many more problems.

Any adults, any age - singles, married people (with children or without children), co-workers, neighbors, friends.
You can choose a multi-generational group or a group specifically your age.

Ready to sign up? Need more information?
Go to: http://stedward.com/small-faith-sharing-groups-sign-up
or email Liz Iorio in the Faith Formation Office: Liorio@stedward.com.
1. Reminder that if you have owned your stock for 1 year or more you can gift it to the church without any tax liability. Contact your broker or Tom Leeman at the Parish Business Office for more information at 429-2874 or email: tleeman@stedward.com

2. Turn Your TAXABLE RMD (Required Minimum Distributions) into Charitable Donations. IRS rules mandate that individuals age 70 1/2 and older take RMDs from their IRA each year, regardless of whether the income is needed. These annual withdrawals are subject to ordinary income taxes. By making a charitable contribution from your IRA, you can satisfy your RMD amount without reporting additional income.
