Are You being called to serve the poor in another Country?

Mark your calendars if the answer is **YES**!

Come join fellow parishioners November 2nd to November 9th 2015 to share in the missionary life of the Missionaries of the Poor (M.O.P.), a Catholic order of brothers and priests. We will pray and work with them to answer Jesus’ call to “Serve the least of my brethren.” Once a year members of St. Edwards set out on a pilgrimage to work along side the brothers in their apostolic centers caring for the truly needy and forgotten.

Come share your gift of love with handicapped children, elderly men and women all who had been abandoned and left on the streets to die. We have space for 18 people to be a part of this life changing experience. The work is simple and sometimes hard, but the rewards will be beyond your expectations. All it takes is a valid passport, the price of a round trip ticket to Kingston, (currently $600) and $200 for room & board. You must have the ability to ascend and descend three flights of stairs to the volunteer’s living quarters and physically capable of climbing into an upper bunk bed.

More information will be presented in a few weeks, but for now take the time to ask the Lord if this is the year to take a different kind of trip, one that will offer the opportunity to see the face of Jesus in the poor and come away with freshly enriched spirituality. If you are interested and would like more information leave your name and phone number at the church office (949) 496-1307. Deacon Al or his wife Linda will call you and answer any questions. Watch for more information in upcoming bulletins. To learn more about the Missionaries of the Poor you can also checkout their website: www.missionariesofthepoor.org.

**Dr. Aaron Kheriaty** is an Associate Professor of Psychiatry and Director of the Program in Medical Ethics at the University of California Irvine School of Medicine. He serves as chairman of the clinical ethics committee at UCI Medical Center. Dr. Kheriaty graduated from the University of Notre Dame in philosophy and pre-medical sciences, and earned his MD degree from Georgetown University. On the issue of assisted suicide, Dr. Kheriaty has published several articles, given testimony against SB 128 at the Senate Health Committee hearings, and has debated Dan Diaz, the husband of Brittany Maynard, on national television.

**Dr. Pia de Solenni** is a theologian, ethicist, and cultural analyst. She serves as the Associate Dean of the Augustine Institute at Christ Cathedral. She is an expert in issues relating to women’s health, life issues, the new feminism, Catholicism, and culture. Dr. de Solenni received her doctorate in Sacred Theology summa cum laude from the Pontifical University of the Holy Cross, Rome. She received the 2001 Award of the Pontifical Academies, presented by John Paul II, for her doctoral work. Her work has appeared in national publications, and she has appeared on “The O’Reilly Factor”, ABC News, CNN, and MSNBC “Hardball with Chris Matthews”.

**Dr. Mike Cushing** has been practicing Family Medicine with Kaiser Permanente for the past eleven years. He earned his MD from St. George’s University, School of Medicine and joined the US Navy as a Flight Surgeon for three years. Dr. Cushing was diagnosed with a terminal cancer in 2004. He personifies the initial target group of the SB 128 and has powerful testimony to share.

**Did you know with the California Senate Bill 128:**
- The death certificate will be falsified. How will that impact life insurance policies?
- You will not be notified or engaged in the process should your parents, spouse, son or daughter choose assisted suicide.
- Your loved one can be given the deadly drug without prior psychiatric consultation or psychological evaluation.
- It is designed to protect the physician rather than the patient.

**Music by Renée Bondi**
At age 29 Renée was engaged to be married and had a beautiful singing voice, a thriving career as a music teacher, and a loving family. But then one night a bizarre accident shattered her spine and left her quadriplegic. Her life changed forever. Against all odds and all physicians prognosis, Renée’s voice was miraculously restored with a crystal clear, angelic sound. Renée harnessed her talents to inspire and give hope to others.
