Thank you very much for your past support and sacrifices for my people in Uganda. You have made a significant difference. Here is a brief report on what we have accomplished:

► Built St. Edward's Health Centre ([www.sedhec.org](http://www.sedhec.org))
► School: renovated restrooms and 2 classrooms. Built 2 new classrooms and furnished with tables and chairs. Provided meals and tuition assistance for many of our students, many of who are AIDS orphans.
► Re-roofed the archdiocesan cathedral in Kampala and provided a keyboard & amplifier.
► Built St. Jude Church in Wakiso
► Completed construction of parish offices at Our Lady of Mt. Carmel

We have ongoing challenges helping our people, and your sacrifices and donations are still much needed – without which we can do very little. Every dollar you give makes a very big difference in Uganda. Mission envelopes for your donations are in the pews and in the back of church. You can put your envelope in the collection basket or you can drop your donation off at the Parish Office. Please write your check to St. Edward Church and on the memo line write: Fr. Achilles Uganda

On behalf of my people and our Church I thank you. I will be here at St. Edward the Confessor Parish through August 4th. You are most welcome to come visit us in Uganda.

We offer you friendship, support, leadership, training and the opportunity to make a difference to those in need. Through YLI’s participation in charitable projects, you will have the opportunity to promote the work of the Church while working hand in hand with other Catholic Women.

Our purpose is to help others in our organization, our church and our community.

We are an organization for all seasons of life. Some joined just out of high school, some were “Social Security age” and many in between; but we know that: when there is a need – YLI Sisters will be there.

Friends of the Poor®

Society of St. Vincent de Paul

Save the date and join us on Saturday, Sept. 26th for the Friends of the Poor Walk/Run in Huntington Beach. Funds raised will be applied to a wide range of assistance for the needy and those living in poverty, including: housing assistance, disaster relief, job training and placement, food pantries and dining halls, clothing, transportation and utility costs, care for the elderly and medicine. All proceeds directly benefit people in the communities where the money is raised and there are no administrative fees associated with the event.

Walkers are encouraged to make a personal monetary donation and collect pledges from supporters.

Visit www.fopwalk.org for more information.

Update on Summer Work Around the Parish

- The work on the walkway has been completed. We leveled the pathway and added an additional band of pavers to meet current ADA code and minimize our landscape maintenance in that area.
- The area around the Jesus sculpture has been filled in. We are looking to add some potted plants around the area.
- The bathrooms are nearly completed – just a few finishing touches and they will meet new code. We replace the tile and all the fixtures, reworked the electrical and added new lighting.
- Truncated dome were added in front of the church and school.
- The parking lot is scheduled to be resealed and painted on July 30 and 31.
- New paint in the school public areas and new carpeting in the school office.
- There will be a shade structure installed in the preschool play area over the artificial turk.
- San Felipe has received a fresh coat of paint inside and out.
- Minor roof repairs to San Felipe will be completed by the end of summer.
- Additional space was added for memorial plaques in the memorial garden.
- We relocated the web cam in the church to improve the Stedcast feed due to the repositioning of the furnishings on the Sanctuary.
- We have finalized a design for a decorative screen at the top of the new ramp to the sanctuary and it is in production.
- Work has been completed on the two new van accessible handicap spots along the walkway. New signs will be installed to mark these spots.
- Pews were reinstalled in the balcony after the corrections were made. Pews from the other side have been removed and will return by the end of August.
- We have reinforced the balcony wall to accommodate the new 42” high railing required by the city. The railing is in production and will be installed in the next few weeks.
- There is a new donation bin for food items located outside the church office. We ask that all food donations be dropped there instead of inside the church.
