The Justice That Works Act of 2016
Replace the Death Penalty in California

The Catholic Social Justice Ministry at St. Edward the Confessor parish will gather signatures after all Masses the weekends of April 16/17 and April 23/24 to qualify the Justice That Works Act of 2016 initiative on the 2016 November ballot in California, to replace the death penalty with life imprisonment without the possibility of parole.

A justice system without the death penalty offers several benefits, among them:

- No innocent persons would be killed by the state
- Victims' families would realize additional restitution and fewer court appearances
- The cost to the state would be reduced by $150 million per year

Come sign the initiative after Mass!
