**Summer work around the Parish**

We have broken out the hard hats and tool belts for summer work around our parish. Keep your eyes out for the following improvements:

- We received a waiver from the Water District that is allowing us to replace the grass on the field with a drought tolerant sod.
- We are modifying three classrooms to provide student support space for the learners at The Parish School.
- New flooring will be installed in the upstairs hallways at the school.
- Middle school learners will return to find new lockers.
- Two air conditioning units will be replaced at the school.
- Plans are underway for a refresh of the Knight Hall Kitchen funded by our PSA rebate.

If you have any questions, please email Lori Sloss at lsloss@stedward.com.
