**Continuing Education for Catholics**

Many occupations such as physicians, nurses, dentists, professional counselors, lawyers, accountants, and even cosmetologists require employees to stay up to date through continuing education (CE). For example, professional counselors in California must take 36 hours of continuing education to renew their license every 2 years to ensure that they have the latest knowledge in their fields. Even if continuing education is not required, anyone who takes pride in his or her work wants to learn more. This holds especially true for us who are disciples (i.e. students) and evangelizers of Christ. Whether you are a recent convert or a “cradle Catholic” who went through Catholic school your whole life, being a disciple of Christ means growing daily in our knowledge of him and our relationship with him.

Please take a moment to look at page 5 in this bulletin and review the numerous opportunities available through St. Edward the Confessor for continuing education in the faith. For example, we have three Bible studies this fall, small faith-sharing groups, classes for people considering becoming Catholic, and even an on-line library of free books, classes, and movies for children, teens and adults through FORMED.org. It is a joy to learn more about God who is the source of our life and joy. Studying our faith also keeps us focused on God, gives a great example to our children and can create a rewarding social network as well. We spend our time doing many things; let’s make a commitment to invest in our spiritual lives. Please sign up today for one of the many faith formation opportunities.

**Educación continua para Católicos**

Muchas ocupaciones tales como médicos, enfermeras, dentistas, consejeros profesionales, abogados, contadores, e incluso los cosmetólogos requieren que los empleados estén al día a través de la educación continua (EC). Por ejemplo, los asesores profesionales en California deben tener 36 horas de educación continua para renovar su licencia cada 2 años y asegurarse de que tengan los conocimientos recientes en sus campos de trabajo. Incluso si no se requiere la educación continua, cualquier persona que se enorgullece de su trabajo quiere aprender más. Esto es especialmente cierto para nosotros que somos discípulos (es decir, estudiantes) y evangelizadores de Cristo. Si se ha convertido recientemente al catolicismo o si es un “católico de nacimiento” y pasó por la escuela católica toda su vida, ser un discípulo de Cristo significa crecer día a día en el conocimiento de él y nuestra relación con él.

Por favor tome un momento para mirar en la página 5 de este boletín y vea la gran cantidad de oportunidades que esta parroquia de San Eduardo el Confesor ofrece para continuar con la educación en la fe. Por ejemplo, tenemos tres estudios bíblicos comenzando este otoño, pequeños grupos para compartir la fe, clases para personas que están considerando convertirse al catolicismo, e incluso una biblioteca en línea de libros gratuitos, clases y películas para niños, adolescentes y adultos a través FORMED.org.

Es una alegría aprender más acerca de Dios que es la fuente de nuestra vida y alegría. El estudio de nuestra fe también nos mantiene enfocados en Dios, damos un gran ejemplo a nuestros hijos y también puede crear una red social gratificante. Pasamos nuestro tiempo haciendo muchas cosas; vamos a hacer un compromiso de invertir en nuestra vida espiritual. Por favor, registre hoy en alguna de las muchas oportunidades de formación en la fe.

**California Bishops Announce Support for Prop 62 to End the Use of the Death Penalty**

During this Jubilee Year of Mercy, we, the Catholic Bishops of California support Proposition 62 which would end the use of the death penalty in California.

Our commitment to halt the practice of capital punishment is rooted both in the Catholic faith and our pastoral experience. All life is sacred – innocent or flawed – just as Jesus Christ taught us and demonstrated repeatedly throughout His ministry. This focus on the preciousness of human life is fundamental to Christianity and most eloquently expressed in the two great commandments: “You shall love the Lord your God with all your heart … love your neighbor as yourself.” (Mk. 12.30-31)

In November – the concluding month of the Year of Mercy – Californians have the opportunity to embrace both justice and mercy (cf. Ps. 85.11) in their voting. We strongly urge all voters to prayerfully consider support for Proposition 62 and opposition to Proposition 66 which will expedite executions in California.
