January is Poverty Awareness Month!

More facts about who lives in poverty in the U.S.,
• According to U.S. figures, the poverty threshold in 2015—known more commonly as the poverty line—for an individual was $12,000. A family of four earning $24,000 or less is considered living in poverty.
• In 2015, nearly 20% of all children (14.5 million kids) lived in poverty—about 1 in every 5 children.
• A single parent with one child working at the $7.50 federal minimum wage full-time every week of the year ($7.25 x 40 hours x 52 weeks) earns $15,080 before deductions or taxes—$1,257 below the two-person poverty threshold of $16,337.

Visit www.povertyusa.org to learn more about the real faces of poverty, Church teachings and where you can make a real difference in the lives of others. Questions? Contact the parish Catholic Social Justice Ministry at 949-388-8219.

The Catholic Cemeteries of the Diocese of Orange provides a pre-need Planning Program for Catholic Families in Orange County. Family burial arrangements are among the most important and inevitable decisions a Catholic must make. Because of the many emotional and financial savings that result by planning these arrangements in advance of need, the Diocese of Orange urges all Catholic families to learn about their burial options.

The apostolic and administrative work of Catholic Cemeteries truly reflects the corporal and spiritual works of mercy.

IRS rules mandate that individuals age 70 1/2 and older take RMDs from their IRA each year, regardless of whether the income is needed. These annual withdrawals are subject to ordinary income taxes. By making a charitable contribution from your IRA, you can satisfy your RMD amount without reporting additional income.

This provision may be especially attractive for retirees who don’t need all the income from their IRA to meet current living expenses. By donating the money to your charity, you can enjoy the satisfaction of knowing that you are contributing to a worthy cause while effectively lowering your tax bill.
