Many Ethnic Backgrounds

My seventh reason to love St. Edward the Confessor and San Felipe de Jesús is that we are a bilingual and multiethnic community. Within our English and Spanish speaking groups, there are people from many countries and ethnic backgrounds. This gives our parish a richness that it wouldn’t have if all of us were from the same place and same background. Different backgrounds means a variety of cultures, traditions, and customs.

All of us come together because of our common faith and our common dignity as human persons. We respect and love one another and we rejoice in the diversity that exists within our community.

Gratefully yours,
Fr. Philip

Muchos Orígenes Étnicos

La séptima razón por la cual amar a San Eduardo el Confesor y a San Felipe de Jesús es que somos una comunidad bilingüe y multiétnica. Dentro de nuestros grupos de habla inglesa y española, hay personas de muchos países y orígenes étnicos. Esto le da a nuestra parroquia una riqueza que no tendría si todos fuéramos del mismo lugar y de los mismos antecedentes. Diferentes orígenes significan una variedad de culturas, tradiciones y costumbres.

Todos nos unimos por nuestra fe común y nuestra dignidad común como personas humanas. Nos respetamos y amamos unos a otros y nos regocijamos en la diversidad que existe dentro de nuestra comunidad.

Con Agradecimiento,
Padre Felipe
FROM OUR PRINCIPAL, MR. WASZAK

Dear St. Edward the Confessor Parishioners,

I am extremely blessed and excited to begin my tenure as Principal of St. Edward the Confessor Parish School. I am humbled and honored to have the opportunity to lead a school community that has a rich history of strong academics, student achievement, parish and parent involvement, and Catholic traditions. I am very excited to see the students and have them back in our classrooms and hallways, filling them with energy and enthusiasm for learning. As I think about the upcoming school year, I am very excited about this next chapter we are about to write. We will continue to build upon a legacy of success and strengthen our school in order to promote student achievement and personal growth in a structured nurturing learning environment that meets the needs of our students. I want to share with our parish community what I believe to be the most critical objectives for the 2019/2020 school year.

First, the Parish School is a place where we build relationships and create a sense of belonging for all our students. Our Catholic faith will continue to serve as the foundation for all we do at school by modeling the values, practices, and traditions of a learning and faith community and strengthen academic excellence, personal growth, and Christian character. We will continue our work to instill behaviors and habits that promote genuine trust, respect, and collaboration with and among students, teachers, staff, and parents.

Second, we strive to provide a challenging learning environment that helps each student progress at a developmentally appropriate rate and encourages each student to grow in his or her academic abilities and to support diverse learning styles and needs. Our goal is to develop the whole child within a curriculum and culture distinguished by excellence and guided by Gospel values. We will continue to evaluate our curriculum and educational practices to ensure that they are supporting achievement and preparing students for the demands of high school and effective leadership.

Finally, St. Edward the Confessor Parish School is a place where all students will have meaningful opportunities to succeed and fail. Consistent with our school motto, “Always Learning,” being a lifelong learner also means learning from failures. It is our job to help each student see their limitless potential. This will not happen if they do not step out of their comfort zone, take risks, and persevere through challenges. For effort to result in real achievement, students need to know what effort looks like in order to recognize mistakes and failures as positive guideposts for learning and improving. This experience, blended with effective support and high expectations, fosters motivated, resilient thinkers who bounce back from missteps without the negative self-perceptions often associated with failure.

I am thankful to be working with an amazing administrative team, faculty and parish staff who are committed to making a positive difference in the lives of our students. As a parish, I ask for your continued prayers so that our students have every opportunity to grow in God’s love and excel throughout the year. I look forward to our continued partnership so that together we can strengthen our faith-filled community.

Always Learning,
Tom Waszak, Principal, St. Edward the Confessor Parish School

La Asunción de María
La Iglesia Católica enseña que cuando María terminó su vida terrenal, Dios la asumió, en cuerpo y alma, al cielo. Esta creencia tiene sus raíces en los primeros años de la Iglesia. Mientras que un sitio fuera de Jerusalén fue reconocido como la tumba de María, los primeros cristianos sostuvieron que "no había nadie allí".
Según San Juan de Damasco, en el siglo V, en el Concilio de Calcedonia en 451, el emperador romano Marciano solicitó el cuerpo de María, Madre de Dios. San Juvenal, que era obispo de Jerusalén, respondió: "que María murió en presencia de todos los apóstoles, pero que su tumba, cuando se abrió a pedido de Santo Tomás, se encontró vacía; de donde los apóstoles llegaron a la conclusión de que el cuerpo fue llevado al cielo ", registró el santo.

Pastoral Center and Narthex Project Update

The Project Committee, consisting of Father Philip, many parishioners, architects, and Parish staff and chaired by long-time parishioner, John Markel, continues to work on the Pastoral Center and Narthex project. The committee is currently reviewing the latest cost estimates with a target of being done by the end of August. As we move forward, architectural designs will be formulated and shared with everyone at a Parish community meeting to be held in September 2019. Please watch for announcements in the bulletin, the Beacon, and on the Parish website.

As for pledge activity, we have $10.2 million in new pledges which will be added to $4 million in Church savings bringing the total pledges to $14.2 million. The projected costs are $16 million.

We appreciate your continued redemption of pledges - each month we move closer to the 75% cash in bank (about $12 million of the $16 million project costs) required by the Diocese to begin construction. Pledge redemptions average over $200 thousand each month. We have approximately $9.6 million total in the bank for this project, or 60% of the estimated total costs, well on our way to the 75% Diocesan requirement and our groundbreaking in June 2020. Construction is projected to be completed by the summer of 2021.

If you have not yet made a sacrificial pledge, now is the time to consider joining in these efforts. Please contact the Parish Business office at (949) 429-2874 for information about pledging to the project.
1. Reminder that if you have owned your stock for 1 year or more you can gift it to the church without any tax liability.

Contact your broker or Tom Leeman at the Parish Business Office for more information at (949) 429-2874 or tleeman@stedward.com

2. Turn Your TAXABLE RMD (Required Minimum Distributions) into Charitable Donations.

IRS rules mandate that individuals age 70 1/2 and older take RMDs from their IRA each year, regardless of whether the income is needed. These annual withdrawals are subject to ordinary income taxes. By making a charitable contribution from your IRA, you can satisfy your RMD amount without reporting additional income.

Another way to donate to the Capital Campaign!

Reminder that you can donate to the Pastoral Center Campaign by using WeShare, our online service. It is very flexible in terms of payment method, frequency and amount. Check it out at steward.com/parish-donations.com/
